www.kandiedelley.com

Qualifications:

I am a highly dedicated, analytical, and customer-focused visionary with extensive experience in a varied range of creative paths including: writing, graphic design, video capture, editing and production and blogging. The combination of my creative, accounting, and research backgrounds, enable me to enlist divergent and interactive marketing ideas while working within budget requirements. I am a dynamic self-starter who is task and goal-oriented. I also have experience in broadcast/film (on camera and behind the scenes) and book publishing, as author of eBook, *Getting Started on the Web for Writers*.

Technical Skills:

Adobe CS4 Design Premium: Photoshop, Dreamweaver. Photoshop 7, ImageReady (animations); HTML and CSS coding. Knowledgeable of PHP and Search Engine Optimization; Video/audio capture, editing, and production, sound mixing. Windows Movie Maker, Nero 6 Suite, Windows DVD Maker. HonestTech VHS to DVD Microsoft Office 2003, 2007.)

Photography: Canon DSLR (amateur digital photography)

Objective:

To become a member of a highly creative, productive and professional team in communications, entertainment and design where my skills and experience as a copywriter, novelist, graphic designer and multi-media artist will be utilized.

Experience:
